

How we are governed

Keech Hospice Care is governed by its General Council of Management. This council is responsible for the overall running of the charity, setting out its strategic vision and overseeing all major decisions.

Members of the council are all volunteers and bring with them specialist skills, experience and knowledge that are relevant to the charity's aims and objectives. The council meets at least four times a year.

The day-to-day running of the charity is managed by our Chief Executive and the Senior Management Team.

Keech Hospice Care is registered with the Care Quality Commission. The Commission is responsible for regulating and inspecting voluntary and private healthcare organisations.
