

A gift in memory

A gift in memory allows you to remember someone special through a donation dedicated to them.

If you are organising a funeral you may wish to arrange donations to a cause your loved one cared about in lieu of flowers. Many also like to make a regular practice of giving on an anniversary or birthday, or simply when the person comes to mind.

You can remember someone close to you by making a donation in their memory to Keech Hospice Care.

This is a valuable and positive way to remember a loved one, while helping us to support those nearing the end of life themselves.

In memory donations can be arranged through funeral directors or sent directly to us at:

Keech Hospice Care
Great Bramingham Lane
Streatley
Luton
LU3 3NT

Please let us know in whose memory you are sending the gift, what your relationship was to them and your name and address, so we can thank you for your kind donation. If you would like to make your donation specific to either our adult or children's hospice, please indicate this too.

Set up a Keech Hospice Care Tribute online

Setting up your own online tribute is an easy and effective way to raise funds for Keech Hospice Care. More and more people are also choosing to create tribute sites online to accompany their gift in memory.

We have formed a partnership with [Much Loved](#) – a personalised tribute website in memory of your loved one.

Much Loved is a registered UK charity set up to help grieving and healing. It is free to use and offers lots of different designs. You can record memories, images and even sounds on your tribute.
