

A gift in your Will

Making a Will is essential if you want to ensure those closest to you are provided for after your death. It also offers a wonderful opportunity to make a real and lasting contribution to Keech Hospice Care, whose work you may have supported during your lifetime.

Legacies are a vital source of funding for our charity, providing around 10% of our income every year. There is a common misconception, however, that a legacy has to be an enormous amount. This simply isn't the case. Any amount, no matter the size, will make a real difference to us.

Remembering Keech in your Will is one of the most effective ways you can help our hospices continue their vital work. Your legacy will be exempt from inheritance tax, capital gains tax and income tax.

Leaving a gift in your Will will cost you nothing now, but it can do an immeasurable amount of good for generations to come.

If you would like to speak to someone in confidence, please contact:
