

I Care for Keech - a regular gift

Making a regular gift of as little as £3 a month can make all the difference to the care we provide for patients and their families.

Regular gifts, via direct debit, provide us with a steady, guaranteed income that we can depend on every month. This in turn helps us make definite plans for the future.

If you would like to set-up a regular gift to Keech Hospice Care, please download our regular gift form and return it to us as soon as possible. The form provides the opportunity for you to restrict your donation to either our adult or children's service if you wish.

If you would prefer to receive a direct debit form in the post please request one using the form opposite.

Thank you for your support.
