

Walk of Life

This special path is laid close to the new adult In-patient Unit and was officially opened by Keech Ambassador, Pam Rhodes, in June 2009.

For a minimum donation of £50, an inscription of your choice can be engraved on one of the paving stones.*

You might choose to use this as a way of remembering someone close to you, to send a message of goodwill to the hospice or simply to leave your name.

Whatever you decide, you will leave a lasting impression for years to come and will help us continue our vital work for local adults and their families.

Once your special paving stone has been laid, we'll invite you to visit the Walk of Life footpath and see your inscription.
