

CRM Terms and Conditions

Keech Hospice Care can only enter into partnerships that meet specific criteria in terms of income generation and awareness potential. Unfortunately, we cannot guarantee to take every proposal forward.

As part of our legal requirements when entering into a CRM opportunity, a written agreement needs to be completed.

Before entering into any CRM agreement we stipulate that a donation of £300 is paid upfront. This covers the cost of our time in preparing the agreement and in managing the relationship. The £300 is non-refundable but with all successful proposals it will be deducted from any income that is raised through the scheme.

Keech Hospice Care is a limited company registered in England and Wales with the company no. 2904446 Registered Charity no. 1035089
