

Accumulator Challenge

Are you ready for a Challenge?

Last summer, companies in Bedfordshire raised over £60,000 for Keech Hospice Care's Children's services by taking on the Accumulator Challenge.

Now, we're looking for the business community to take up the baton in our 3 Counties challenge and help us raise even more in 2011!

Engage your company and we'll give you £50 and six months to find ways of increasing it as much as you can. You could hold a raffle or auction, run a fundraising event at work, set sporting or other competitive challenges, organise social events or get involved in one of the challenges we set. We can give you lots of tried and tested ideas to get you started.

However you decide to complete the challenge, this is an ideal opportunity to encourage teamwork, develop creativity and boost morale amongst staff.

At the same time you'll be helping to raise vital funds for Keech Hospice Care - the only children's hospice service for Bedfordshire, Hertfordshire and Milton Keynes.

Join us for the Accumulator Challenge and your company will make a valuable contribution to this important work.

The challenge runs from June to the end of December and we've got two fantastic ways for you to kick start your efforts and drive some momentum into your company's team. Even if you can't join in the challenge you can help support us by having fun at one of our events.

If you would like to take part or find out more about the Accumulator Challenge please contact us on 01582 707940 or email corporate@keech.org.uk
