

Tandem skydive

2012 Dates now available:

- 13th May 2012

This jump takes place on one day and there is no training required apart from a briefing with the instructor before hand.

The jump is in tandem as you jump with a fully qualified instructor. After exiting the plane at 10,000ft you experience freefall for 40-45 seconds and at 5,000ft the instructor deploys the main canopy and you parachute to the ground. The landing is totally controlled by the instructor.

This is the only way you can jump from such an altitude without spending thousands of pounds becoming a freefall parachutist. This is literally the chance of a lifetime!

Location:

Hinton Airfield, nr. Brackley, Northamptonshire.

Details:

- Minimum sponsorship level - £405
- Age restriction -16 and over
- Weight restriction – under 15 stone
- Jump Altitude – 10,000 feet
- Duration – 1 day
- Jump with an instructor
- British Parachute Association approved certificate
- Ideal if you want to experience 120 miles per hour freefall without having to do a day's training

What about insurance?

You will automatically be covered for up to £2,000,000 third party insurance but this will not cover you for personal injury.

Should you wish to take out cover for personal injury you should either arrange this through your own broker or you can contact Dean Joy, Events Coordinator on djoy@keech.org.uk or 01582 707966 and he will send you a Personal Insurance Form.
