

Tea at Three

Tea at Three is a fun and easy way to support Keech Hospice Care. Just invite a group of friends, family or colleagues to join you for a cuppa in June, ask them for a donation and raise vital funds for your local hospices.

You can pick any date along with a place and time that suits you. And you don't have to stop at tea! You can serve whatever drinks you like, make and sell cakes, hold a raffle or organise some games. Whatever you do, the money you raise will help us provide vital hospice care for local families.

Organising your Tea at Three

We've put together our Tea at Three event pack to help you organise your event. You can download this opposite or request a copy in the post using the form provided. Template posters and invitations for your event can also be downloaded or sent directly to you.
