You stood the heat!

A HUGE thank you to everyone who took part in the ultimate challenge of walking on fire to raise an amazing £9,500 for Keech Hospice Care.

The evening was a huge success, fantastic atmosphere; both supporters and spectators enjoyed this amazing event.

A massive thank you to our hosts Charles Wells for being such fantastic supporters and for entering their fearless Firewalk team. The pie and chips certainly went down a storm as well!

This event was run in association with Time 4 Change, experts in fire walking with a 100% safety record. Firewalk instructor Cliff Mann said 'These guys were an amazing group of people, making the evening a real pleasure.'

The embers have now cooled, and your achievement will be remembered at Keech Hospice Care. All the money you raise will go towards the care we provide for local children with life-limiting illnesses. Our aim is to ensure all of these children enjoy the best quality of life possible, while supporting their family and friends as much as they need us. Your Firewalk will help us continue this vital care.
