

Collection boxes

We can never get enough of our Keech Hospice Care collection boxes out in the community. Each one helps to raise awareness of our work, as well as generating much needed funds.

If you can help place and collect boxes in your local area, or if you are able to take a box for your business or organisation we would love to hear from you. We also have cardboard collection boxes that can be sent out in the post for use at home - it's somewhere to put all that annoying loose change!

If you would like a collection box or can help us deliver and collect boxes in your area, please contact our Fundraising team:

Tel: 01582 707940
