

## Fundraise at your school

Whatever the age group, there are many ways nurseries, schools and colleges can raise money for our adult and children's hospices.

Other ways to get involved:

- Organise an event, such as an 'X Factor' style contest or a variety night.
- Have one of our collection boxes in the classroom or staff room. You will be amazed at how much you can collect!
- If your school has a Charity of the Year, why not see if you can nominate us next year?
- We can provide you with everything you need to get fundraising, from sponsor forms and stickers, through to collection boxes and lots of information about our hospices.

One of our fundraisers would also love to come to your school and talk to your class or assembly about the work we do and how you can help.

To let us know what you're doing or to arrange for someone to come and talk at your school or college, please contact our Fundraising team:
