

## Pledge a Pint

Will your punters pledge a pint?

Your customers can help our hospices with a donation of just £3 - that's little more than the cost of a pint. They won't even have to leave their seats – a simple text will do the trick!

To get your customers involved, all you have to do is:

- Put out our special beermats (which we supply) on your bar and tables
- Put up a poster so your customers know you are supporting Keech Hospice Care
- And that's it!
