

Organise an event

Organising a fundraising event is a great way to spend time with friends or colleagues, develop new skills, have fun and support a good cause.

There are lots of different things you can do - organise a car boot sale, a dress-down day at school, a quiz night at your local pub or run a raffle at work.

We can provide you with a copy of our Fundraising Events Pack, full of top tips on how to get the most from your event, plus advice on keeping everything safe and legal. Our Fundraising team will also be happy to provide you with promotional materials and collection boxes for use at your event.

To speak to one of our Fundraisers about your event or to request a copy of our Fundraising Events Pack, please contact them:

If you are interested in taking part in one of our existing events or fancy challenging yourself to something a bit more adventurous, please see the Events section of this website.
