

Pasque Harmony

Pasque Harmony is a popular female choral group that began supporting Keech Hospice Care when they formed in 2003.

Since that time, they have performed all over Luton and the surrounding area at churches, concerts, weddings and other private functions.

They generously donate all their profits to Keech Hospice Care and, as ambassadors, they help to promote the services we provide everywhere they go.

The choral group was formed by five members of the famous Luton Girls Choir. Their aim was to enable members to share their talents and passion for music while developing them to a high standard.

Today, they have over 40 ladies who willingly give their time to rehearse and perform to raise funds for our charity. They boast a very wide and varied repertoire of choral items and have wowed audiences with their musical aptitude.

The money Pasque Harmony raised last year was used to purchase a special jacuzzi spa bath in the new adult In-patient Unit, worth £10,000.

If you are organising an event and would like Pasque Harmony to perform, they hope to hear from you today. The performance fee is a very reasonable £250 and your money will go directly to supporting our adult and children's hospices.

If you are interested in joining the choristers, details can be found on their website.
