

Lottery

You can win £1,000 by playing Keech Hospice Care's weekly lottery!

How it works

Playing our lottery couldn't be simpler. A chance in the lottery costs just £1 a week. Upon joining players are allocated a unique six-digit number, which remains theirs for as long as they wish.

Every Friday, the lucky winning numbers are selected at random by the lottery computer and winners' prize cheques are sent out automatically after the draw.

What you can win

Every week there are one of 40 prizes to be won:

- 1st prize - £1,000
- 2nd prize - £250
- 3rd prize - 3 x £50
- 4th prize - 25 x £20
- 5th prize - 10 x £10

If you're not lucky enough to win, you know that your weekly £1 has made a significant contribution towards hospice funds.
