## Our hospice

Keech Hospice Care provides emotional and practical support for adults and children diagnosed with a life-limiting condition. Our aim is to help patients enjoy the highest quality of life, while also providing vital support for their family and friends.

We are one of only a handful of UK organisations offering adult and children's services on the same site. Our adult service provides care for patients primarily from Luton and South Bedfordshire, while our children's service cares for children across Bedfordshire, Hertfordshire and Milton Keynes.

*All our services are provided free of charge to all, 24 hours a day, 365 days a year.*
