

## Shop on the high street

Keech Hospice Care has charity shops across Bedfordshire, Hertfordshire and Milton Keynes.

Our shops stock a superb variety of donated goods at down-to-earth prices. Everything from quality clothing and accessories, to books and DVDs, to household goods and bric-a-brac. All are inspected and prepared before going on sale.

As well as donated goods, our shops sell a variety of brand new items, including greeting cards, wrapping paper, ornaments and gift sets. We also sell Christmas cards, calendars and seasonal gifts from September to December.

When you shop at one of our charity shops you can feel good knowing the proceeds from your purchases are going directly to support our adult and children's hospices.

[How to donate to our shops](#)

Of course, our shops couldn't operate without the generous donations of good quality items from local people. We also depend on hundreds of volunteers to help out in our shops and prepare goods for sale at our warehouse.

If you have time to spare and think you can help please visit the volunteering section of this website:
