

Shop fire

A fire broke out at our Kempston shop on Wednesday 7th July.

Bedfordshire Fire & Rescue called Head of Retail, Philip Kojcinovic to inform him that the building backing onto our shop had been burnt out.

Tracy Smith, Manager of the shop, said: 'Luckily the shop itself has not been damaged too severely but the back room was burnt out by the fire. As a consequence we have lost a lot of our stock. We are appealing to the public to please bring in any donations so that we can restock the shop to its former glory.'

If you have any items you would like to donate to the shop please click [here](#).
