

Help re-stock our shops

Our charity shops need fresh stock - and you can help!

You may have unwanted Christmas gifts that, rather than sitting unused in a cupboard, could go to a better home and raise money for our hospices. Or you may want to have a good clear out to make space for the dozens of presents you received!

Our shops across Bedfordshire and Hertfordshire will be very glad of all your donations of quality clothes, bric-a-brac, unopened fragrances, household items and other unwanted gifts.

Donations can be delivered inside the shops during opening hours.

To find your nearest Keech shop, please follow the link above.
