

Well done to our Midnight Walkers!

On Saturday 12 September, at the stroke of midnight, over 300 ladies set off to complete our first Midnight Walk in Bedford, raising £35,000 for our children's hospice!

The walkers gathered at Bunyan Sports Centre, Mile Road, dressed in bunny ears donated by Ark Handling of Bedford, florescent leg warmers, fairy wings, pyjamas and the like. After a countdown to midnight, led by the Heart Angels, they then set off to complete a 10-mile circular route around the town.

On their return, the ladies were given special Midnight Walk medals, before enjoying a well deserved breakfast and hot drink.
