

Join our exclusive trek to India

From the vibrant bustling centre of Delhi to the tranquillity of India's breathtaking mountains and valleys, our Trek India challenge is the opportunity to see it all!

This trip of a lifetime, taking place from 2 – 11 July 2010, will make a vital contribution to hospice care across two continents.

Join us for this truly unique travel experience and you'll start off by volunteering for two days on a renovation project at a hospice in Delhi before embarking on a journey through the foothills of the Himalayas.

Along the way, you'll enjoy the stunning scenery, come across a diverse range of interesting wildlife and spend time with the locals at traditional Indian villages. On top of this there will still be opportunities to visit the home town of the Dalai Llama and the spectacular Taj Mahal.

And you'll be raising money for your local hospices too!

Billy Byrne from DIY SOS has already signed up for the challenge, alongside staff from Monster Play Systems™.
