A very special service
Keech Hospice Care would like to invite you to our annual Light up a Life service in the grounds of the hospice on Sunday 4 December 2016.

Light up a Life is your chance to come together with other local people who have experienced a loss, and lovely remember and celebrate the life of a loved one.

Our simple service contains carols, readings and music and culminates in the switching on of our lights of remembrance on the hospice’s beautiful Christmas tree which will burn bright until twelfth night.

It's your special way to remember someone.

Join us
To take part in Light up a Life and remember your own loved one, all you need to do is use the form overleaf to tell us about the person you wish to remember and include a brief message of remembrance.

We'll then display your loved one’s name, along with your message on remembrance boards at the event and their name will be included in our Order of Service. You will receive a copy of this on the day to take home or one is sent to you if you are unable to attend.

Afternoon programme on Sunday
2.30 - 3.30pm: A free bus service, (courtesy of Arriva buses), will operate from Barnfield College on New Bedford Road. Buses will run regularly but please be sure to arrive in good time – the last bus will leave at 3.30pm.

A small number of parking spaces will be available at the hospice for registered disabled blue badge holders.

2.30pm: Before the service your opportunity to view the remembrance boards and place your message of remembrance on one of our star trees. Tea, coffee and mince pies will be served in our restaurant, Valerie’s. A selection of hospice Christmas cards and gifts will also be available to purchase.

4.00pm: Our service begins. Please note, the service will be outside and not under cover, so please wear clothing and footwear suitable for the afternoon’s weather.

4.30 - 5.30pm: After the service concludes, spend some reflective time at the tree outside. The buses will resume, ready to transport you back to Barnfield College.
There is no charge to dedicate a light in memory of a loved one (or attend the service) but a gift of £31.40 could pay for an hour of a nurse’s time to help a patient feel safe and cared for and reassure and support their family.
