Skydive

10,000ft free-fall
parachute jump

What's it like?

Imagine standing at the edge of an open doorway in an aircraft flying at 10,000 feet. The noise of the engines and the wind is ringing in your ears, with only the outline of distant fields below. Now, imagine leaning forward out of that doorway and letting go - falling forward into the clouds, diving down through the air as you start free falling at over 120mph! The peace and quiet arrives as the canopy opens, then the steering toggles come down and you begin a tranquil descent from a mile up in the air to the drop zone below. It's real and you can be part of it! You could find yourself harnessed to a professional parachute instructor, living this dream - for just £70 as a registration fee and a minimum sponsorship of £410 which includes a £200 jump cost.

What does the jump involve?

The jump is called a tandem skydive as you free fall through the air (without the parachute deployed) for several thousand feet, while harnessed to a professional parachute instructor. This is the only way you can jump from such an altitude without spending thousands of pounds becoming a free-fall parachutist. This jump is less demanding than a traditional 'static line' jump as both the jump and training are completed in one day and your instructor is in control of your landing.

Points to remember

- Jump and training are completed in one day.
- You will be harnessed to an experienced parachute instructor at all times.
- You will jump from at least 10,000 feet - just like the professionals.
- You will free fall down to 5,000 feet - falling through the air at 120mph!
- You will ride the parachute down to the ground.
- You will be taught how to steer onto the drop zone.
- The landing is controlled by your instructor.
- You will receive a certificate to prove that you have completed a 'two-mile high' tandem skydive!

What must I do to qualify for a free jump?

All you have to do is raise £410 (or more!) in aid of Keech Hospice Care by asking your friends, family and colleagues to sponsor you. Please do not be put off by this amount - it is raised more easily than you think. Remember, every penny you raise over the minimum will be helping Keech Hospice Care care for more seriously ill adults and children, and their families.

What do I do next?

Read the following pages entitled 'Important information' and 'Paying your sponsorship money'. Then simply choose a date for your jump and complete the enclosed registration form, or book online at www.keech.org.uk/skydive. If you book online, please contact Keech Hospice Care's events team at letmehelp@keech.org.uk. After that, all you have to do is make an exhilarating tandem skydive from 10,000 feet!

Important information

When can I jump?

Please specify on the registration form what date you would like to jump. If you are unable to jump on these dates, please contact Skyline on **020 7424 5520** to discuss the possibility of jumping on an alternative date.

Where is the airfield?

Hinton Airfield is situated near Brackley, Northamptonshire, 15 miles north of Oxford. Once your reservation form has been received and processed, full confirmation details will be sent to you, including a map and directions to the airfield.

Are there any restrictions on age or health?

You must be at least 16 years old and be under 15 stone (95 kilos) in weight. The principal medical restrictions are diabetes, epilepsy, fits, recurrent blackouts, heart or lung disease, mental illness and some cases of asthma. You will be required to sign a medical form before your jump declaring your fitness to take part - this will be sent to you upon receipt of your registration form but is also available upon request. Those under the age of 18 will need the medical form signed by a parent or guardian. Anyone aged 40 and over, or with a medical condition, will need it signed by their doctor.

Pre-existing physical conditions will not necessarily prevent you from taking part but please inform Skyline of any physical conditions as this may affect the location of your jump. If you are in any doubt then please contact Skyline for further information.

What about insurance?

You will automatically be covered for up to £2,000,000 third-party insurance but this will not cover you for personal injury. Should you wish to take out cover for personal injury, you should either arrange this through your own broker or you can contact Skyline on 020 7424 5520 and they will send you a personal insurance form.

How do I book my place for a free jump?

Simply complete the enclosed registration form and send it to Keech Hospice Care c/o Skyline, 31 Corsica Street, London N5 1JT or online at www.keech.org.uk/whats-on. Please note you must also provide a £70 booking deposit (which can be taken out of your minimum sponsorship money) made payable to Skyline.

Finally

We hope that you decide to try this thrilling 'once in a lifetime' experience as it's a fantastic way to raise funds for a worthwhile cause. There will be lots of other people parachuting on the day, too! You are welcome to bring along your friends and family so they can watch. This is a day you will simply never forget, the day you perform an exhilarating 10,000 feet tandem skydive in aid of Keech Hospice Care.

Paying your sponsorship money

Tandem skydive

The following sponsorship system makes it easy for you to take part and ensures that you do not have to pay all of your sponsorship money in advance. Remember, as long as you raise the minimum £410 sponsorship amount, you can recover both the cost of the booking deposit and jump from your sponsorship money.

Paying for your jump and sponsorship money

Your £410 minimum sponsorship money is split into three payments:

1. The first payment of £70 is paid on registration.
2. A second payment of £200 needs to be paid direct to the skydive centre **on the day of your jump, by cash or debit card.**
3. The third payment of £140 - plus anything extra you have raised above the minimum amount - can be raised online at:
www.virginmoneygiving.com or
www.justgiving.com

Alternatively, you can raise it offline and take it to the airfield on the day.

Online sponsorship form

It's the quick, easy and secure way to get sponsored. Online sponsorship forms are a great way to encourage people that you don't see very often to sponsor you. You also won't have to collect the money as it comes directly in to the charity.

Please be aware that you will still need to physically pay the £70 registration fee and £200 jump cost, so please keep in mind that the money to cover these payments will have to be raised through traditional methods offline.

You can create an online sponsorship page at:
www.virginmoneygiving.com or
www.justgiving.com.

NOTE: We cannot start organising your jump for you until you send in your registration form and appropriate booking deposit - please do this as soon as possible so that we can give you the date of your choice and you can start preparing yourself for what has often been described as an experience of a lifetime!

Please read all sections of this page carefully before signing the declaration below

1. If you are jumping for a charity and wish to recover reimbursement of the cost of the training and the jump, you must raise the minimum sponsorship money appropriate for your chosen jump. If you also wish to recover reimbursement of the deposit you must raise this portion of your sponsorship offline – deposits cannot be recovered from funds raised online. If you are purchasing the jump for yourself the cost for the training and the jump must be paid on the day of the training and this payment is totally non-refundable even if you do not jump for any reason. 2. If you are buying a Gift Voucher the full cost of the jump must be prepaid as indicated on the Book Online form. This includes a £70 non-refundable booking deposit as referred to in 3 below and the remainder which represents the fee for the jump and all associated training which is passed on by Skyline Promotions Ltd to the parachute centre who are solely responsible for these elements. Gift Vouchers are refundable within the first 28 days subject to a £30 administration fee. Gift vouchers must be redeemed within 12 months but can be transferred to another person within this period. 3. All booking deposits are completely non-refundable and are payable to Skyline Promotions Ltd and cover various costs including without limitation assisting you to find an airfield where you may carry out your jump and in the case of gift vouchers the design and printing of the voucher. Such booking deposits are valid for twelve months from the date of booking and should the jumper not be unable to complete their jump due to inclement weather alternative arrangements will be made. 'Open dated' gift vouchers may be redeemed at any time within this twelve month period.

4. Should the weather be unsuitable for jumping on the day it will be up to the jumper to return to the parachute centre on another occasion(s) if necessary to complete their jump. 5. A fee of £50 will be charged for all cancellations or changes of jump date. A fee of £100 will be charged for any cancellations or date changes within 48 hours of the booked date. This will be taken automatically from the card you entered when paying your £70 booking deposit. This is in addition to the standard prices. 6. Once a specific date has been booked, you will automatically become bound by the terms and conditions that individual operator may have.

7. Skyline Promotions Ltd in consideration of the payment of the booking deposit will take all reasonable steps to arrange the jump at your nearest available parachute centre but since parachuting is a very popular sport, we may be forced to offer you an alternative due to lack of availability at some centres. Skyline Promotions Ltd acts as your agent in arranging for the jump and not as the agent for the parachute centre. Skyline Promotions Ltd use only those parachute centres which are affiliated to the British Parachute Association as the National Governing Body of the sport. Accordingly, no representations or warranties of any kind are made by Skyline Promotions Ltd as to the suitability, capability, quality of training or operation of any parachute centre. Any queries or complaints with regards to these aspects should be referred to the parachute centre concerned.

Medical Restrictions: (In this section 'you' refers to the jumper)

For a tandem skydive you must be at least 16 years old; for static line jumps and AFF you must be aged between 16 and 55 inclusive. For all jumps you must weigh under 15 stone with your weight in proportion to your height. Please note some centres have lower weight limits - please contact us for details. The principal medical restrictions for all jumps are diabetes, epilepsy, fits, recurrent blackouts, heart or lung disease, mental illness and some cases of asthma but if you are in any doubt please contact us for further information. All jumpers are required to sign a medical form before their jump declaring their fitness to take part - this will be sent to you upon receipt of this Reservation Form but is also available on request. Those under the age of 18 will need the medical form signed by a parent or guardian; anyone with medical conditions listed on form 115A will need to have form 115B signed by their doctor.

Insurance: On payment to the parachute centre of the fee for the training and the jump, all jumpers are covered by the British Parachute Association Liability Insurance Policy up to £5 million for liability to Third Parties. Please note that this does not cover the jumper or their dependants for personal injury including death. All jumpers are therefore strongly recommended to take out their own insurance cover for personal accident benefits to whatever level they consider appropriate. They can do this either in conjunction with their own insurance broker or they may take advantage of the cover detailed on this website. If you wish to take advantage of this scheme then please refer to the insurance page for full details.

IMPORTANT NOTICE: Parachuting is an adventure sport and participation in such sports necessarily involves a risk of injury or death regardless of the standard of training, supervision and equipment employed. I voluntarily accept all the risks inherent in the sport and I agree for myself and my personal representatives to indemnify and hold harmless Skyline Promotions Ltd against any claim or claims whether on my own account or from third parties arising out of any accident or incident resulting in any loss or damage (including bodily injury and death). By completing your booking on-line you are confirming that you have read all the above sections marked Booking Terms and Conditions, Medical Restrictions, Insurance, and Important Notice, and understand and agree to be bound to those terms and conditions and to comply fully with the same.

If you have raised your sponsorship money and you are not able to take part in the activity, you must contact your sponsors. Some sponsors may be happy for you to still donate their money, but you must give your sponsors the option.

Did you know that if you are a UK taxpayer, for every £1 you have donated personally to Keech Hospice Care, we can collect an extra 25p from the tax man (at no additional cost to you)? This means your donation can go even further in providing care and comfort for our patients living with a life-limiting illness.

If I have ticked the box headed 'Gift Aid', I confirm that I am a UK Income or Capital Gains taxpayer. I have read this statement and want the charity named above to reclaim tax on the donation detailed below, given on the date shown. I understand that if I pay less Income Tax or Capital Gains tax in the current tax year than the amount of Gift Aid claimed on all of my donations it is my responsibility to pay any difference. I understand the charity will reclaim 25p of tax on every £1 that I have given.
